AFTER A ZIGZAG COURSE WHEAT MAKES A GAIN.

Market Opens With Heavy Trade and Irregular Prices-Scare of Frost in the West and Foreign Advices of Damage Lend a Helping Hand and Porce Prices Up-Corn Lively and Oats Higher-Live Stock Market.

CHICAGO, May 21 .- Wheat went up and down with bewildering alacrity today closing with a % cent gain after an advance of 1/2 cent and an equal decline. Frosts at home and abroad caused the strength and free selling was responsib for the temporary reactions. July co closed unchanged, oats unchanged a provisious finished slightly higher.

wheat there was a beavy trade at broad market with the prices very irreg broad market with the prices very irregu-lar. Opening trades were at \$\frac{1}{2}\text{shift}\$ cont ad-vance and after selling down \$\frac{1}{2}\$ cent, called \$\frac{1}{2}\$, broke \$\frac{1}{2}\$, rallied \$\frac{1}{2}\$ cent, changed some and closed firm. The early strength came from the frost scare in the west. The stronger tone was considerably helped by private advices from abroad reporting damage there by a black frost. The de-crease in the visible of 1,466,600 bushels al-so acted as a strengthening factor. A crease in the visible of 1,405,000 bushrls also neted as a strengthening factor. A good many local "longs" sold out on the early rally and many west "short." Pardridge was again a prominent seller during all the early morning, but these offerings were very readily absorbed by anxions buyers. Free realizing was responsible for the sharp break later, but more buying firmed up the market at the close.

Corn experienced a lively trade during the first hour but was quiet later, prices for the day covering but % % cent range. The general tons was firmer, the strength coming from the weather. Opening trades were % 1.2 cent advence, sold up % % cent, reacted 3.4 % 7.8 cent, ruled firmer, changed some and closed as stated.

Lower prices at the yards and hogs receipts largely in excess of the estimated, caused a slight decline in values at the opening in provisions. The market soon firmed up to near Sagurday's closing figures on the boom in wheat and corn. It was extremely dull later on with weakness in response to the break in wheat. The market was very narrow. Just before the market was very narrow. Just before the close there was some buying, values advancing to the outside figures of the day with the closing strong for pork and lard and firm for ribs. Compared with Satur-day night, July pork is 5 cents higher, July lard unchanged and July ribs 21/2

Such grades as were eagerly taken then at \$4.95@\$5.00 were not wanted today at over \$4.80\$\$4.85 and the decline in common and medium grades was not less severe. There was an average reduction of 15 cents per hundred, the bulk of the supply, which amounted to 34.000, going out of sellers' mands at \$4.70\$\$1.80. At the decline buyers took hold very freely and the market finally closed firm. The quality was not very good, light lots entering more largely into the supply than heretofore. Prime heavy hogs were a little scarce.

There was a good demand for sheep and lambs and both sold stronger. In some cases desirable qualities were taken at an advance of 10 cents, but in poor and common qualities there was no considerable change. Quotations ranged from \$2,450 for port to choice sheep; \$3,64 85 for yearlings, and \$4,65.75 for springs.

The flames were discovered about 12:30 o'clock in the celiar of the store of the Julius Sichel company, dealer in dry goods and millinery, 50, 52 and 54 North Eight street and 806 Arch street. Before the fire department arrived the flames had communicated with the upper floors through an elevator shaft, and the entire property was gutted. The fire quickly spread to the wholesale millinery and straw goods establishment of L. Dannenbaum's Son & Co., adjoining on Arch street, and their Co., adjoining on Arch street, and their stock and building were destroyed. The two buildings destroyed belonged to the estate of Morris Dannenbaum. The flames were confined to these two buildings, but adjoining stores on Arch and Eighth streets suffered loss from smoke and water. The origin of the fire is unknown.
